

Choose your Dental plan

We have three unique Dental benefit levels to choose from: Basic, Intermediate and Plus. All you have to do is select the benefit level meeting your needs and budget.

Benefit Examples⁴	Basic	Intermediate	Plus⁵
Preventive services Two visits per person each calendar year, separated by at least 150 days. Examples: <ul style="list-style-type: none"> » Exams, x-rays, cleaning 	\$75/visit	\$100/visit	\$100/visit
Basic services Payments are 50% of the listed benefit in the first policy year and 100% thereafter. Examples: <ul style="list-style-type: none"> » Filling » Extraction; erupted tooth or exposed root » Reline complete denture (laboratory) 	\$75 \$50 \$150	\$150 \$100 \$300	\$150 \$100 \$300
Major services For the Plus plan, there is a 180-day waiting period on major services in most states. ⁶ After the waiting period, payments are 50% of the listed benefit for the remainder of the first policy year and 100% thereafter. Major services are not covered under Basic or Intermediate plans. Examples: <ul style="list-style-type: none"> » Inlay; metallic; two surfaces » Crown; resin » Retreatment of previous root canal therapy » Complete denture » Maxillary sinusotomy 	— — — — —	— — — — —	\$330 \$450 \$250 \$375 \$825
Annual Benefit The maximum calendar-year benefit. Preventive services benefits do not take away from this annual benefit.	\$500	\$1,000	\$1,500

Add our Network Savings Card to save an average of 45% on dental care⁷
